Dismantling Power

Event

Hall/Stand number

Important Information

For safety reasons electrical supply to stands as well as water and compressed air will be disconnected approximately one hour after the show has finished on the last duration day.
If you require power for dismantling purposes please order this by the attached form in advance, or give your request to the hall electrician during the construction time, latest.
An extended use of existing connections plus consumption is possible.
(In hall 7.0 – 7.2 no extension of the technical connections is available.)

Ident no.	Service
9002	Dismantling power

We herewith ask for the extended use of electricity connection(s)
beyond the end of the event (one hour after closing) until

_____ (date/time)*

Any extended use of electrical connections shall be coordinated with the hall electrician!

* Disconnection is only possible from: Mon – Thu 7.30 am – max. 3.30 pm
Fri – Sun 7.30 am – max. 1.00 pm

We will be liable that **disconnection will only be done by the electrician responsible**.
It is known that in **case of violation or acting** on our own we will be held **totally responsible**.
